## ***Rules and Expectations***

- All art must be product of the accepted artist who must be present during the festival.
- The booth size is 10x10 ft. and requires a **WHITE** canopy. Any exception to this rule will be determined by the Visual Arts Committee. We do not accept blue or any other color canopy. A limited number of white canopies are available to rent from the Tooele Arts Festival for \$25 per day.
- You may request more than one booth space; however, you must pay an additional \$200 for each additional space. (Late fees may apply after May 1, 2026)
- You may share a booth with another artist. However, the other artist must also submit an application and pictures. Each entry will be judged on its own merit and must be indicated on the application form.
- You cannot sell any candy, food, drinks (including bottled water) and you cannot fill jars, boxes, bottles, etc. with any other type of food. These items will be removed from your booth.
- Previous participation in Tooele Arts Festival does not guarantee that you will be allocated or have the same space as previous year(s).
- You are welcome to make special requests on your application, but unless it is of critical nature, we ask that you please accept your assigned space.
- The committee (jury) will be reviewing on a daily basis to ensure that no commercial/mass produced items are displayed. We realize this action benefits you as an artist as well as allows the committee to produce a quality festival. If any item is deemed not adhering to the rules, the item(s) will be removed from your booth AND/OR you may be asked to leave the festival with no refund of booth or application fees. Additionally, this will jeopardize your chance for consideration in future festivals.
- The Tooele Search & Rescue Unit will provide on-site security from Thursday evening through Sunday morning. However, this does not constitute a guarantee that there will be complete security coverage. Additionally, **NO** security will be

provided after 6am on Sunday morning. All art should be removed from booth or appropriately secured. All art is the responsibility of the artists; Tooele Arts Festival assumes **NO** responsibility or liability for art at any time.

- For weather conditions and additional security, you must “wrap” your canopy each night and it must be **FIRMLY** secured to the ground. (Sand bags and/or concrete blocks, **and** anchors are **strongly recommended**.)

***\*\*Please direct questions to: Danielle at 435-840-2895.***

I verify that items displayed in my booth are my original work or identified as a reproduction of my work. I understand that I am subject to daily review to ensure this statement is valid.

I hereby release and forever discharge the 2026 Tooele Arts Festival and its organizing committee, the City of Tooele, all sponsoring organizations, and volunteers from any responsibility, personal liability, claims, loss or damage arising out of or in conjunction with my application to the 2026 Tooele Arts Festival.
